Spotlight Acting Academy is super excited to announce our Fall production

RUDOLPH THE RED NOSED REINDEER JR: THE MUSICAL.

Anyone who remembers the annual "Animagic" classic television special is already familiar with this faithful stage adaptation.

All of your favorite characters are here singing the songs that have become holiday classics. "Silver and Gold", "Holly Jolly Christmas", and "Rudolph the Red Nosed Reindeer" among other favorites.

SYNOPSIS:

Based on the hit holiday song, and the beloved annual television special, Rudolph the Red-Nosed Reindeer brings one of the most beloved characters of all time to the stage. Rudolph wants nothing more than to be just like the other reindeer, but his bright red glowing nose seems to always get in the way! With everyone at the North Pole picking on him for his differences, he feels like nothing but a misfit. Rudolph sets off on a journey to find a place where he belongs. Along the way, he meets other misfits, Hermey, Yukon Cornelius and the Misfit Toys, who show Rudolph that he was always right where he belonged at the North Pole. When Santa's big night is at risk of being ruined by a storm, Rudolph is finally able to show everyone how his differences are what truly make him special.
